Year 15: \$1500; Year 16: \$1600; Year 17: \$1700; Year 18: \$1800; Year 19: \$1900

Claim Procedure

If a problem arises which you feel is covered by this Limited Warranty, contact the Posh+Lavish authorized retailer from which you purchased your mattress. The original bill of sale and the law label from the defective product are necessary for the fulfillment of this Limited Warranty. Any claim for warranty service must be accompanied by the necessary information, and provided within the warranty period, to satisfy the Limited Warranty requirements. Posh+Lavish may require you to provide proof of the quality of the foundation used with your mattress. If necessary, the retailer will contact Posh+Lavish to establish service. If the problem can be easily corrected, Posh+Lavish will authorize the retailer to make those repairs. Posh+Lavish reserves the right to require that defective parts be returned upon request.

Posh+Lavish is not responsible for scheduling or the cost of transporting the product from your home to the retailer or from the retailer to your home. You must make those arrangements with the retailer. If the retailer you purchased the product from has closed and you need service, contact POSH+LAVISH in writing or call our customer service number for instructions.

Caution

Posh+Lavish reserves the right to refuse service and invalidate this Limited Warranty when, upon inspection, the Posh+Lavish mattress or Posh+Lavish foundation is found to be in an unsanitary condition or when product failure is due to causes other than defective workmanship or materials. Please refer to the "Mattress & Foundation Care Instructions" section of this Limited Warranty for proper mattress and foundation care.

MATTRESS & FOUNDATION CARE INSTRUCTIONS

DO

Do give your mattress set time to "air out" upon removal from its plastic packaging. Dispose of all plastic packaging as soon as possible.

Do carry your mattress flat on its side. It's easier to handle and you'll be less likely to damage the mattress.

Do keep your bedding clean. We suggest using a mattress pad or mattress protector, especially if children will be using the bed.

Do replace the old foundation when purchasing a new mattress. An old foundation may not provide sufficient support. It may appear that your new mattress is sagging when it is really the foundation that supports the entire mattress.

Do use an appropriate frame and center support for queen and king size sets. Using the right support frame will ensure that your warranty remains in effect.

DON'T

DON'T PLACE YOUR MATTRESS NEAR OPEN FLAME OR EXPOSE TO FIRE. THIS MATTRESS IS NOT FLAME OR FIREPROOF, AND CAN IGNITE AND/OR BURN IF EXPOSED TO OPEN FLAME OR FIRE. WHEN IGNITED, SOME BEDDING MATERIAL CAN BURN RAPIDLY AND EMIT SMOKE AND HAZARDOUS GASES.

Don't smoke in bed. This mattress is manufactured as required by federal law to resist, but not necessarily eliminate, ignition by smoldering cigarettes.

Don't let anyone stand or jump on your mattress or foundation. It was not built for that kind of weight concentration or abuse.

Don't allow your mattress to get wet because some of the upholstery materials may compress. Protect it from water or other liquids.

Don't remove the law label or tag at the end of your mattress. This label serves as a means of identification to establish your right to the Limited Warranty.

Don't use dry cleaning fluid of any type on your mattress. These chemicals will damage some of the construction materials and will void the limited warranty.

The top covers on all Posh+Lavish Mattresses and toppers are removable for laundering if it is necessary. **We recommend washing in cold water in a sink or tub using a mild detergent. We recommend drying on a drying rack indoors. We do not recommend machine washing or machine drying. We do not recommend washing using hot or warm water. Machine drying or warm washing will shrink the cotton and wool and it will not fit back on and zip back on the mattress or topper.**

Additionally, do not remove the FR barrier that is wrapped around the mattress under the removable mattress cover. This tan cotton and wool fire retardant layer is not designed to be laundered and will shrink if removed from the mattress and cleaned.
